Having trouble paying your mortgage?

Attend the **FREE Homeowner Outreach Event** **Friday, April 15 and Saturday, April 16**

This **FREE** event is designed to educate and assist homeowners who may be having trouble meeting their monthly mortgage payments and other housing-related financial obligations. The event is sponsored locally by the City of Chula Vista and Fannie Mae.

Homeowners in attendance will have the opportunity to learn about the different foreclosure prevention options that could be available to them — including those available to eligible homeowners under the **Making Home Affordable Program**SM.

Fannie Mae is committed to helping homeowners, who may be struggling with their mortgage payments, explore foreclosure prevention options. **The Fannie Mae Borrower Outreach Team** will be at this event and will be available to personally meet with Chula Vista-area homeowners. We encourage you to attend to understand what options may be available.
